

IN-HOUSE & CATERING MENU

Our in-house catering menu is a tasty treat to behold, with a focus on Kiwi and European style flavour & presentation.

We offer a variety of delicious, seasonal items with an emphasis on fresh, local, sustainable ingredients.

Our options feature both long-time client favourites, as well as new, seasonal items.

We can easily accommodate most dietary restrictions, including vegan, gluten-free or dairy-free. Choose from any of our items, or if time allows, let us know if you'd like us to customise an order.

Our baker can work with you to create the perfect menu tailored specifically to your needs and desires.
