Disclaimer

At the Sign of the takahe, we make every attempt to identify ingredients that may cause an allergic reaction for those with food allergies. However, there is always a risk of contamination as in our kitchen we use products such as milk, eggs, gluten, seafood, peanuts, other nuts, sesame seeds and capsicum, although we have strict cross contamination policies; we can not guarantee a total absence of these products in any of our cuisine's, meat, carb or vegetable.

Customers with food allergies must be aware of this risk and mention it to our Servers at the time of ordering. We will not assume any liability for adverse reactions from the food consumed, or items one may come in contact with whilst eating any of our meals or itemised food sources.
